

Bachelor of Science Nursing Open House

Wednesday, February 1, 2012, 3:30 - 5:00 PM

Looking for a future where you can help people AND enjoy a great career? Discover nursing and Dalhousie University's four-year Bachelor of Science Nursing Degree Program. Visit our Open House on February 1, 2012! Meet some of our professors and talk with our students. Tour our facilities. You'll discover small learning groups and lively student activities.

At Dal you'll learn with faculty who will inspire and mentor you, and you'll practice in superb clinical facilities. Two and three-year accelerated programs also available for eligible students. Find your future in nursing! Visit Dalhousie University's Nursing Open House!

Location:

Meet by 3:30 PM in the first floor main lobby of the Forrest Building, 5869 University Avenue. This is the older red brick building with a tall spire, located next to the Dentistry Building. Enter through the main Dentistry doors or via the main Forrest Building entrance – granite stairway - or the entrance to the right of the main granite stairway. After a short tour of the skills lab we will proceed to classroom Tupper C for a presentation and question and answer session.

We look forward to meeting anyone interested in nursing and the BScN Program at Dalhousie University.

Please call 494-2605 for any inquiries.
